# MARY, REFUGE OF HOLY LOVE.

There is a place called Holy Love.

Mary, the Mother of God, is the Refuge of Holy Love.

A refuge is a safe and loving place, much like a mother's arms.

Mary is also our Mother. She invites us to Holy Love to give us many graces from Her Heart. Mary's Heart is Holy Love, and She teaches us to love God most of all and to love our neighbor as ourselves.

This means God is number one in our lives and it also means to treat our neighbor as kindly as we can. Even though it can be hard at times.

Blessed Mother also tells us to always trust in God with all our

hearts because the more we trust Him, the more we love Him, and that is very important.

When we come to the Holy Love property, we are promised a second angel to help us through our lives and to help us stay close to Jesus and Mary.

This is very special because when we only had one angel before, now we have two.

This new angel is our special friend that helps us to live in Holy Love.

Also on the many acres of Holy Love, there are four lakes. They all have Special Water that is blessed from Heaven. There is also a spring called “Maranatha Spring”. The word “Maranatha” means “Come, Lord Jesus.”

There is also a well with a pump where you can pump your own Specially Blessed Water to take home with you.

The first lake is the Lake of Tears.

It is shaped like a big teardrop.

Our Lady says that this lake is filled with Her tears. She is sad because of the many sins in the world. Make Her happy with your love and prayers.

The next lake is the Lake of Angels with a tiny chapel next to it that has many stories inside from the people who have been healed by the Special Water.

The next lake is the Lake of St. Michael.

It is dedicated to Michael the Archangel, who is a very brave angel. He fights Satan, who is God's enemy.

Then further back in the United Hearts Field is the quiet lake of St. Joseph.

A big statue of St. Joseph stands close by, peacefully watching.

There is another statue in the United Hearts Field of St. Padre Pio.

He promises that if you stop and pray in front of him, he will bless you with his Priestly Blessing.

He shows you to the big white Cross, which is the entrance to the Stations of the Cross inside the woods.

In the middle of the United Hearts Field there are two big statues. One is of Jesus and the other of Mary.

They can be seen from a far distance and They look very glorious as They watch over the Holy Love property.

Jesus shows us His Sacred Heart. Mary shows us Her Immaculate Heart. They welcome people with Their United Hearts.
